THE GOVERNMENT OF JAPAN INVITES YOUTHS FROM THE WESTERN BALKANS TO JAPAN

The Ministry of Foreign Affairs of Japan (MOFA) is implementing for the second year the youth exchange **“Western Balkans meet Japan: A Bridge into the Future”**, on 13th November to 21st November 2019 in cooperation with the Regional Youth Cooperation Office (RYCO) , one of the key actors working on youth issues in the Western Balkans.

This exchange program invites undergraduate or graduate students aged from 20 to 25 years old from the Western Balkans to Japan. Round trip international air tickets to Japan by economy class, overseas travel accident insurance, accommodation and transportation in Japan, meals during the program, and admission fees for scheduled activities in Japan are covered by MOFA.

Participants will have a great opportunity to explore Japan through intellectual and cultural exchange, aiming to promote mutual understanding and reconciliation as well as to build a basis for future friendship and cooperation between Japan and the WB.

This program is a part of the “Western Balkans Cooperation Initiative” announced by Japan’s Prime Minister Abe in January last year.

Please click on the following RYCO’s website for further information and applying for the program. Deadline for application is **15 September 2019**.
